1 Dies, 1 Escapes In Gougar Road Crossing Crash

One brother was killed and another escaped injury Monday afternoon when the car in which they were riding was struck by an east bound Rock Island commuter train on the Gougar road crossing, a mile west of New Lenox.

The warning signals were operating, it was said, but the driver of the car did not stop.

The lad killed was Floyd Vance, 20, Golf rd., New Lenox. He was heading north on Gougar road. The train struck the left rear end of the car and hurled it against an utility pole.

Floyd Vance was thrown out of the car and suffered a basal skull fracture. He was rushed to Silver Cross hospital where he was pronounced dead on arrival.

His brother, James H., 18, remained in the car and escaped injury, according to the report at the coroner's office. Coroner Willard G. Blood said James told him that he had seen the train and shouted to his brother but whether the brother saw it or heard him he did not know.

Investigators wondered if the driver's reflexes had become "frozen" so he was unable to attempt to avert the crash.

7-Year-Old Boy Crossing Street, Struck by Car

Philip Weishaar, 7, of 4233 W. 206th st., Matteson, was injured when hit by a car being driven by Burton K. Robinson, 23, of Frankfort, as he crossed Oak Park ave., at 172nd st., Tinley Park, at noon last Saturday.

The boy, who suffered a slight concussion and abrasions on his right side, was treated at the office of Dr. H. J. Feldman and released.

Weishaar, a student, reported to Tinley Park police he was driving north on Oak Park ave., when the boy darted into the street between two parked cars on the west side of the street. Two witnesses corroborated his statement.

15 Pay Fines in Traffic Cases At New Lenox

Of 16 persons arrested at New Lenox for alleged traffic violations 15 were fined. One case, that of Mrs. M. Carlson, of New Lenox, who was charged with running a stop sign, was dismissed.

Only one other resident of New Lenox was picked up in the period. Demarie Buckler, who was fined \$5 for ignoring a stop sign.

The 15 traffic law violators arrested up to July 12 paid a total of \$131 in fines, according to the reports. Seven paid fines of \$10 each on charges of improper passing: Miceal Poretz, Park Forest; John Smith, Alphonse Leone, Chicago Heights; Robert Brown, Fairbank, Pa.; Harry Leander, Sheldon, Ia.; George Green, St. Joseph, Mich., and Robert Elfrer, Rochester, N.Y. Fines of \$10 each were assessed against Francis Liams, of St. Ann, Mo. and Roy Cruise, of Crown Point, Ind. on speeding charges.

Harold E. Thomas, Johnston, Pa. and Emmet Soper, Burlington, Ia. were each fined \$9 for speeding and an \$8 fine was imposed on Chas. Mund, Napa, Calif. for a similar offense.

J. Richtlinder of Manhattan, was fined \$5 for running a stop sign, as was John Colwell of Joliet.

New Lenox Man Hopes To Win Freedom For Youth Held by Turks

A father is seeking aid from U. S. officials to aid his son, a 19 year old fireman in the navy, who is a prisoner of the Turks.

The lad has served a 10-month prison sentence on a charge—which he denies—of mutilating a Turkish flag, and now faces an additional term that could be 20 months as a result of an accidental injury to a fellow prisoner.

The youth is James F. Tomany, son of Mr. and Mrs. Lloyd Tomany, Sr., 302 Maple st., New Lenox.

Stories of his arrest, conviction and sentencing appeared in some of the newspapers of the country last September but there has been no publicity of the second charge placed against him until now.

And the nature of the charge causes the father to wonder if the Turks are using his son as a pawn and when this case is disposed of they will bring further charges against him.

"It would seem," Mr. Tomany said, "that an American citizen loses his identity as such when he is abroad. Our government appears to prefer to sacrifice our people rather than to offend a foreign power."

Young Tomany is now awaiting trial in a criminal court at Izmir, Turkey, on what in this country would be a civil matter involving an alleged personal injury.

According to a letter received by the parents from the navy dated May 8, James was white washing the walls of his cell in the Zia city prison at Izmir, the latter part of April.

"Some of the white-wash—a lime compound—spattered in the eye of a Turkish prisoner who was observing him," the letter from the navy reads, "and he (James) is now charged with Article 459/2 1 of the Turkish Penal Code: 'Whoever, as a result of imprudence, negligence, professional inexperience, or non-observance of regulations injures others, or harms the health of others, or causes confusion to the mental faculties of others, shall be imprisoned not less than three months nor more than 20 months and fined not less than 100 (Continued to page 6)'"

Nuclear Plant at Dresden Now Open to Public

Persons who would like to go thru the Dresden nuclear power station near Morris in Grundy county will have an opportunity to do so by joining one of the regular tours that have been set up by the Public Service Co.

These tours will be conducted every 45 minutes beginning at 4:15 p.m., Monday thru Friday, and continuing until 8 p.m. On Saturdays and Sundays the tour schedule will be from 9:30 to 3 p.m.

Groups who would like to arrange for tours — church, service clubs, high school classes, etc. — are asked to communicate with Sidney B. Westby, district superintendent of the Public Service Co. at Joliet.

No one under 16 years of age will be permitted to take the tours. Women are advised to wear flat heels because there is considerable walking.

The station is scheduled to be ready for service in 1960.

To reach the Dresden station from Joliet one follows U.S. 66 to Lorenzo road, south of the Kankakee river, thence west four miles to a 4-way stop and then go north to the station, a distance of about three miles from Lorenzo rd.

School Bands Plan Series Of Concerts

Area school bands are practicing for concerts to be presented to the public during the summer months.

The Lincoln-Way High school band have two concerts tentatively set for July 22 and 23, at 8 p.m. in the Lincoln-Way High school.

The combined grade school bands of Frankfort, Mokena, Manhattan and New Lenox will present three summer concerts, the first to be held Friday, July 24, at the New Lenox Lions Den during their annual festival, at 7 p.m.

The next two concerts will be held Sunday, July 26, at Frankfort school at 2:30 p.m. and at Mokena school at 7 p.m. All will be an hour long and will be conducted by the following band leaders: Otto Mattei, Manhattan; Milton Majzel, New Lenox; and Perry Friedman, Frankfort and Mokena.

The combined bands held their first practice at the Lincoln-Way High school July 13. Other practices are scheduled for July 17 and 20, from 9 a.m. until noon.

All of the band leaders feel this is a great opportunity for the children to practice together and will prepare them for participation in the high school band.

Leaders are stressing that all A and B band members of each community attend these sessions. Transportation will be furnished at the schools before 9 a.m. About 100 children attended the first practice.

At the recent Band Boosters dance in Mokena, a net profit to date amounts to \$821.47, which will be used to pay off the current debt and to buy additional uniforms for the band next year.

The band committee urges those who have not as yet turned in tickets, do so as soon as possible.

Friday's Storm Causes Much Damage in Orland

The wind and rainstorm last Friday did damage all around Orland Park. Trees were uprooted and wires snapped, causing the electricity to be shut off for about two hours.

One car was reported damaged, which belongs to the Cleveland, a village trustee. The top of the car caved in when a tree fell on it, while it was parked in front of his home.

The fire department stood by until the Public Service force arrived to repair damages. While guarding the blown down wires at 143rd st. and Route 45, the firemen were summoned to 131st st. and Route 45, where a two-car collision caused one car to catch fire.

New Pastor Takes Over Pulpit At Methodist Church in Mokena

Recently appointed to the Mokena Methodist church is the Rev. Robert H. King. The Rev. Mr. King, whose home is in Chicago, is a graduate of the University of Illinois, in 1952.

He spent two years in the Army Signal Corps in Europe as motion picture photo-

Mokena Baptist Pastor Resigns; Takes New Post

The Rev. William J. Krutza, pastor of the Park View Baptist church of Mokena, has resigned to accept a position of editorial assistant in the publication department of the Baptist General Conference. He will preach his last sermon here on Aug. 9 and begin his new position at the headquarters office of the conference in Chicago Aug. 10.

In this capacity the Rev. Krutza will be writing Sunday school materials, pastor's helps youth material and other types of Christian education materials to be used both in this country and on foreign mission fields.

During his pastoral ministry he has carried on a writing ministry along with the regular pastoral duties. The church here has seen steady growth under his leadership.

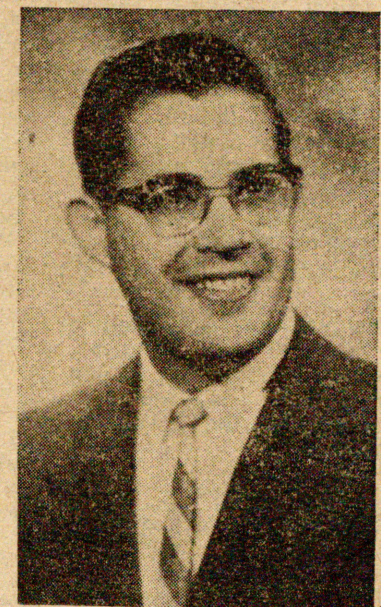

The church pulpit will be supplied each Sunday by guest speakers until a new pastor is selected by the congregation.

Mokena Firemen Elect Roberts as New Chief

Carroll Roberts, who had been assistant chief of the Mokena community volunteer fire department, has been elected chief for the unexpired term of Arthur B. Hostert. Roberts is in the construction business with Walter Hentsch.

Chief Hostert resigned as such because of lack of time for all the duties of the office. He was given official thanks for his work as chief of the department.

Roberts, the new chief, has been assistant chief and a member of the board of directors for the past two years. He

BANKING UP FOR A BLOW—The clouds were rolling and tumbling late Friday when this picture was taken by a photographer looking north along the Public Service power line from 191st street, east of Mokena. "It's either building up for a big blow or a big letdown" the photographer said to himself and it turned out he was right the first time. It did come on

to blow Friday night. None of these particular wires were brought down but there were electric lines down in the area as well as a number of trees broken or uprooted. At Orland Park some property damage was reported. There were gusts reported around 60 and 65 miles an hour. (Marvin Smith photo)

Sewage Problem

N. Lenox Would Abate Nuisance

Sewage and surface water problems which have been a subject of much controversy at New Lenox for many years and finally came to a head some 10 days ago with the arrest of one man the threat of further court action, are believed to be headed for settlement—temporarily at least.

Raymond Flint was to have had a hearing before Justice of the Peace George Williams at Joliet last Thursday, but it has been continued generally. He had been arrested on complaint of a neighbor, M. Jack Simmons, who charged that Flint was allowing sewage to flow in his yard and an open ditch.

The fact that Simmons had contributed to the situation thru having blocked a tile did not enter into the picture, Assistant State's Attorney Michael Orenic, who had the warrant drawn for Flint's arrest, is of the opinion that Simmons was acting within his rights to block a tile to keep sewage

or polluted water from running onto his property. No one is supposed to block a natural water course, attorneys say, but sewerage is something else.

Whether this would apply if sewerage is following a natural water course and is mixed with surface water offers a nice legal question, lawyers agree, that probably could be shuttled back and forth among the courts for years.

Orenic said that he had the hearing before Williams continued indefinitely last week because of word he had received from William Penn, village attorney for New Lenox, who said that a letter was on the way from the village clerk stating that the board hoped to eliminate the cause of the controversy.

Such a letter has arrived Orenic said. It was directed to the Will county health department and a copy sent to the state's attorney's office. It was

written by Clerk R. J. McCleary on instructions by the board.

It states that the board is willing to cooperate any way it can to abate this nuisance.

The assistant prosecutor said that he and Penn plan to sit down and discuss the problem and endeavor to come up with a solution.

The village board announced several weeks ago that it plans to install drain tiles to carry off the surface water from the vicinity of Second and Pine. The theory back of this is that if the surface water is eliminated the septic systems in the area, which are now subject to flooding, will be able to function properly and thus pollution will end. Orenic says he hopes this will turn the trick.

The final solution of the disposal of sanitary waste, it was pointed out, would be a sewer system but the prices given the village for such an improvement is considered prohibitive.

Recover Missing Money

Solve Theft at Lincoln Estates

Knowledge that a brief case containing a substantial sum of money was lying close at hand was too much temptation for a 17 year old Lincoln Estates youth so he took it and concealed it in the owner's garage.

Conscience and questioning by two of Sheriff Gilbert Knatter's staff caused the lad to lead the two officers, Robert Monson and John Shelly, to the hiding place where they recovered the missing brief case.

The youth had not opened it, he said, and the contents were intact — \$1,185 in cash and checks in the sum of \$2,592.13 for a total of \$3,777.13.

The young man, Roger Semankovich, 80th ave. and U.S. 30, was taken to the county jail and later, on instructions by the state's attorney's office

was released to his parents. He was to have been brought back to the sheriff's office by his parents yesterday. At the moment the charge against him is open.

According to the deputies who questioned Roger, the latter was at the home of Raymond Mankowski, owner of the Midwest grocery at 7800 Lincoln Highway, Lincoln Estates. Roger and Raymond Mankowski, Jr., 16, were polishing a car in the Mankowski yard, which is behind the grocery. That was Sunday afternoon.

Roger is alleged to have told the deputies that he knew there was a brief case containing money in a bedroom in the Mankowski house. He went in the house to get a bottle of pop and while there entered the bedroom and took

the brief case out to the living room where he concealed it under a table.

The two boys were going to the stock car races Sunday night and when young Mankowski went into the house to bathe and change clothes Roger followed him in, deputies quote him as saying, and took the brief case which he then hid in the attic of the garage.

Mankowski missed the brief case Sunday evening and called the sheriff's office. Deputies started an investigation which ended Monday afternoon when they took the Semankovich youth into custody.

According to the deputies, the lad expressed remorse and said he would have returned the brief case to the house but was afraid he might be seen.

Appropriations

Orland Park Adopts Annual Budget

The Orland Park village board adopted its annual appropriation ordinance this week, setting up a provisions for total expenditures of \$151,812.50.

This doesn't mean that the village plans to spend this money, it was pointed out by officials. In the first place, they explained, there won't be

any such sum available.

But if the money was available it could not be spent unless it had been appropriated.

The amount of money to be raised thru taxes on real and personal property will be the same as last year, a nominal sum when compared to the total of the appropriations. The tax levy ordinance will be

adopted later.

Two of the items that appear among the appropriations are \$20,000 for a village hall and \$20,000 for a fire station. The \$20,000 for the fire station merely means, it was explained, that the money collected by the firemen to build new quarters will be turned over to the village board to be paid (Continued to page 6)

Church League Leaders Maintain Tie

Lutherans, Methodists and Holy Name Outfits Keep on Winning

Play in the Tinley Park Church Softball league at Memorial park found the three leaders breezing along still tied with five wins as opposed to one defeat.

The Zion's knocked off the Reformed church team 17 to 5. The Methodists swamped the St. George Knights, 32 to 5 and the St. George Holy Name outfit walloped the Nazarenes 21 to 6.

The Lutherans unleashed considerable power in vanquishing the Reformed. Seven of the victors' 17 runs were homers. Rick, Nasenbrandt, Propp, Jeveret and Casey each hit one but Dale Hartwig hit two.

Since four of the homers came in the first inning the Zion's jumped into an early lead, 6 to 2 and kept adding to it. The Lutheran hurler, Goebel allowed eight hits and one walk. Disabato, on the mound for the Reformed, was more generous in the hit department, giving up 22 but only issuing one pass.

The Reformed were hitting some of Goebel's offerings solidly but Dean Propp and Wally Egger came up with some excellent catches to hold the opposition in check. Of the Reformed eight hits Reichenberger got three. He also played a good field and robbed the Zion's of at least one homer.

The Holy Names and the Nazarenes started out with each team netting two runs in the first inning but after that the St. George crew ran away with the game, scoring nine runs in the second and kept adding to the count until reaching the final of 21, while holding the Nazarenes to six tallies.

The Georges were clout-happy too, hitting four home runs. Gallina got two of them and Gunther and Zimmerman one each. The two Nazarene moundsmen gave up 20 hits. J. Carlton yielded 11; Freed nine. They gave no walks. At the same time the best the Nazarenes could do was get eight hits, five off Melia, as well as a base on balls and three off Zimmerman. The walk given by Melia was the only pass issued in the game. In their game with the Methodists, the St. George Knights managed to collect 10 hits but what were 10 hits as opposed to the drumfire laid down by the Methodists. The Methodists got 34 hits, two more than their run total of 32. The Knights made five runs on their 10 hits.

After the sixth inning the Methodists were worn out, having scored 20 runs in that frame.

Fisher to Seek Second Feature Win Saturday

Now that Byron Fisher has solved the secret of how to win feature races, he'll be gunning for his second in a row Saturday night at the midget auto races in Joliet Memorial stadium.

Fisher, of Lemont, figures the best way to win is to keep ahead of Streater ace Bob Tattersall. And he did just that last weekend in winning his first main event on the Joliet quarter-mile clay oval.

Fisher just missed a "triple" last Saturday, winning the handicap event for the fastest qualifiers, but failing to second place in the heat race. It was the closest any driver has come to a triple this season.

Among the track favorites in the lineup Saturday will be Tattersall seeking his fifth feature victory; Danny Kladis of Chicago, trying for his 3rd; and Billy Woods of Kenosha, Wis., Bernie Wilhelm, Joliet, and Bob Hauck, Joliet, all after second feature triumphs.

Two newcomers to the track, Bill Knight of Kokomo, Ind., and Chuck Marshall, Champaign, also will be in the lineup.

The program will include four heat races, a handicap, 15 lap semifeature and 25 lap feature. Time trials start at 7:30 p.m. and the first race at 8:30 p.m.

If a man write a better book, preach a better sermon, or build a better mousetrap than his neighbor, tho' he build his house in the woods, the world will make a beaten path to his door.

Triple Play by Orland Ruths Puts Stopper on Frankfort Rally

The Orland Park and Frankfort Babe Ruth teams played to a 5-5 tie at Frankfort last week, the game having been called in the sixth inning because of darkness.

The highlight of the contest was a triple play by Orland Park in the fourth—the hard way—that in all likelihood saved the visitors from defeat.

Orland drew first blood, scoring two runs in the first. Frankfort got one of them back, and thru the second frame was trailing 2 to 1. Then in the third Orland scored again to lead 3 to 1. Frankfort scored twice in its half of the inning to make it 3-all, Orland went ahead again in the top of the fourth by scoring two more runs.

Frankfort quickly knotted the count in its half of the frame and had the bases loaded with no one out.

Turney, who had clouted a double and a single for Frankfort, rapped a sharp grounder to Zinn, who had taken over the pitching chores for Orland. Zinn threw to Elhenicky to nail the runner coming into the plate and the catcher nipped the runner going to first for the second out. In the meantime Blaylock, Frankfort second baseman, had rounded third and was streaking home when the first baseman, Bates, threw to Elhenicky who tagged Blaylock out at home.

Zinn gave up one hit and three walks during his stint on the mound while the starting pitcher, Merwin, gave up three hits and issued four passes. Schofield and Turney pitched for Frankfort. The former allowed three hits, walked two and hit two batsmen. Turney gave up no hits but walked three batters and hit two with pitched balls.

Reds Trim Sox 15-13 in Orland Little League

The White & Meyer entry in the Orland Park Little League, known as the Reds, defeated the Andrew Corp. Sox last week by a count of 15 to 13.

The Sox scored in each of the six innings played. The Reds failed to tally in the second and third frames so at the end of three innings of play the Sox were on top of 6 to 2 score. Then the roof fell in. In the last three innings the Reds made 13 runs while the best the Sox could do was to tally seven. The Sox outthit their opponents 15 to 11.

L. Gorney handled the mound chores for the Reds. The Sox used two pitchers, Mc Bride who yielded seven hits while walking five, and hitting two batsmen, and Bendler, who gave up five hits and issued two walks. There were three home runs hit, one each by Hart and Dehertog of the Reds and H. Smith of the Sox.

Little Leaguers Selling Decals July 17, 18, 19

Little Leaguers in Tinley Park will be selling decals, which can be displayed on auto windows to show you support the baseball program for youngsters. The days designated for selling the decals to the public are July 17, 18, and 19.

The proceeds realized from this annual decal sale are used to purchase necessary equipment so that boys from 9 to 12 years of age may enjoy this organized recreation.

The adults who volunteer their services know that parents and other adults appreciate the program by attending the games and helping with a financial contribution towards its support.

For an hour of relaxation and to give moral support to the young baseball players, the public is invited to attend the games which are held nightly at Memorial park.

Orland Police Loop Nine Taps Robbins 24 to 6

The Orland Park Police league team had an easy time Sunday afternoon with the Yanks of Robbins. The host outfit ran up 24 tallies in the course of the seven inning contest while the visitors had to be content with 6.

While one considers that the Orlands made all of their runs on 13 hits it is not really necessary to say that Robbins was guilty of numerous errors. The Yanks were held to five hits. Paul Schultz was the winning pitcher.

Gives Talk on Social Security At Home Bureau

Members of the Bremen Home Bureau heard an interesting talk on "Your Stake in Social Security" given by Mrs. Claradell Upham at the July 6 meeting, and learned that nine out of ten working people are building protection for themselves and their families under the social security law.

Mrs. John Nalepka was a guest at the meeting. The unit extended good health wishes to the chairman, Mrs. Goodrich Shantz, who has been ill for several weeks.

At the meeting which was held in the home of Mrs. William Smith, refreshments were served by Mrs. Nick Anast, Mrs. Michael Bock and Mrs. Harold Warning.

August is vacation month for Bremen Home Bureau and the next stated meeting will be Sept. 24, when a lesson

Luther League Holds Ice Cream Social Saturday

The Zion Luther League will hold its annual ice cream social Saturday, July 18. Serving of home baked pie and cake, hot coffee, soft drinks for the children, and of course, ice cream, begins at five pm., ending at 9 pm. The industrious Leaguers are also planning entertainment for the affair.

Everyone is invited, and promised an evening of old fashioned friendly, family fun. The lawn of the Zion Lutheran church, at 69th avenue and 171st st., Tinley Park, will be the scene of the social. In case of rain, it will be held in the parish hall.

"Understanding People with Handicaps" will be given by Mrs. Upham.

VFW Auxiliary Has Party for Mrs. H. F. Mott

Members of the Ladies Auxiliary to the VFW Post 2791, honored Mrs. Hugh F. Mott at a farewell luncheon at the Lincoln Heights restaurant Thursday, June 25.

Mr. and Mrs. Mott have lived at 16914 Riverside drive for the past eight years and are moving to Geneva.

An orchid corsage and an automatic percolator were presented to Mrs. Mott who has given the VFW Auxiliary many years of service.

Tuesday, July 7 was the monthly business meeting of the Auxiliary with the President Mrs. William Houle officiating. The secretary, Mrs. Robert Enzenbacher, read a report from hospital chairman, Mrs. Peter Seeley, concerning the voluntary work the VFW Auxiliary participated in at the Tinley Park State hospital during the month of June. Three members received 100 hour pins at the hospital on Award night, June 29. They were: Mrs. Seeley, Mrs. M. S. Morrison and Mrs. Hugh Mott.

The president expressed her sorrow, joined by all at the loss of one of their members, Mrs. Matilda Steinhagen. She was a loyal member and Sunshine chairman for many years.

ENGAGED — Mr. and Mrs. Raymond J. Barry of Orland Park announce the engagement of their daughter, Gail Barbara, to Pfc. Jerry L. Hadley of Wiley, Colo.

Gail met Pfc. Hadley while he was stationed at the Army Nike site in Orland Park.

No date has been set for the wedding.

MR. and MRS. WAYNE HOSSBACH

Frankfort Couple Wed at Church Ceremony in Tinley Park June 21

A Frankfort couple was married in an afternoon ceremony at the Trinity Lutheran church Tinley Park, on June 21. They are Carol Knieriem, daughter of Mr. and Mrs. William Knieriem, 16 Walnut st., and Wayne Hossbach, son of Mr. and Mrs. Henry Hossbach. The Rev. Carl Hoeh, pastor officiated at the double ring ceremony.

For the occasion, both sides of the altar were decorated with flowers and palms.

The two candlelighters were Barbara Seeman and Janice Knieriem.

The organist, Margie Koehler, played appropriate wedding music and accompanied Bonnie Rydell as she sang, "The Wedding Prayer" and "The Lord's Prayer."

The bride, who was escorted to the altar by her father, wore an imported Chantilly lace gown with permanent pleated silk tulle, imbedded with sequins and seed pearls. The bouffant fingertip veil was of French illusion silk. She carried a bouquet of crown flowers, centered with a white orchid.

The maid of honor, Norma Knieriem, wore a yellow chiffon ballerina length gown with bateau neckline, and molded bodice. The bouffant skirt had bands of embroidered nylon eyelet encircling the waist and skirt hem. She wore a crown dyed to match, trimmed with pearls and circular face veil. She carried a bouquet of plumarias and white carnations.

The bridesmaids, Evonne Hossbach, and Lenora Bormet,

wore crowns and dresses identical to that of the maid of honor, except in blue. They carried bouquets of plumarias and white carnations.

Diane Hossbach was a miniature bride, in a gown identical to that of the bride.

The ring bearer was Mike Hossbach.

Norman Hossbach was best man, and the groom's other attendants were Dale Twietmeyer and Charles Joyce. The ushers were Lawrence Rauch and Howard Seeman.

The bride's mother wore a beige lace sheath dress with bolero jacket and had a corsage of plumarias flowers.

The groom's mother wore a blue lace and crepe dress, and similar corsage.

Carl Vogt, grandfather of the bride, was an honored guest.

At a reception held in Sanger hall, Tinley Park, for about 250 guests, Mrs. Marvin Cappel and Mrs. LaVera Marquardt, served the wedding cake.

The young couple went by

Seeking a CAREER opportunity?
Several additional men will soon be chosen to join us at a guaranteed starting salary (not an advance against future commissions) of \$335 per month.

You may be one of these men. If you are seeking a career opportunity on a full-time basis — if you have a high school education or better — our new office will welcome an opportunity to talk with you.

If chosen you will (1) receive the most thorough on-the-job training in our industry; (2) you will be equipped with a complete line of life insurance contracts at competitive rates; (3) you will be backed by distinguished national magazine and television advertising — and the prestige of one of the country's best known life insurance companies.

We urge you to drop in and see us at your earliest convenience or phone to arrange for an evening appointment.

ORLAND PARK ADOPTS

(Continued from page 1)

out as the bills are presented. For the board to pay out such moneys appropriations must be made. It does not mean that the village is to pay the firemen \$20,000 with which to build a firehouse. The expense of this project is being borne thru public subscription.

The village board is considering the building of an additional wing to the firehouse to serve the community as a village hall. Whether it will do so in the current fiscal year is not known but if funds did become available for such purpose during the period they could be used.

The new firehouse will be on the site adjacent to the old village hall on Beacon street and it is expected that work on the building can be started soon.

The appropriation ordinance in detail is published on another page. It also includes the appropriations for the library. The total allotted for the library is \$1,752.50.

The village board also adopted an ordinance this week setting up maximum loads for the streets, to prevent their breaking down. The maximum loads will vary from six to 10 tons. The streets will be posted with signs, giving notice as to what loads may be transported over them.

A request for approval of a partial subdivision was passed along to the planning commission by village authorities. The subdivision known as Fernway, which is located between Orland Park and Tinley Park, has some 60 lots that are within a mile and a half radius of Tinley Park and four lots that fall into such category as far as Orland Park is concerned. The Orland Park subdivision ordinance calls for sidewalks, curbs, gutters and paved streets, which the Fernway developers have not planned. The builders there ask the Orland board to allow a variation. No decision will be reached until after the planning commission comes up with a recommendation.

Green Garden Farmer Leaves \$95,000 Estate

Will county probate court records reveal that Harold A. Bankow, operator of a farm in Green Garden township, left an estate valued at \$95,000, of which \$85,000 is in personal property and \$10,000 in realty. Bankow left no will, and his sister, Mrs. Isabella Tremelling, Joliet, was appointed administrator. Since the sister and mother, Mrs. Katherine Bankow, are the only immediate survivors, they will divide the estate according to law. There being but one surviving parent, the mother will get two thirds of the estate; the sister will get one third. Mr. Bankow died June 18. He resided at Joliet but operated the property in Green Garden.

The petition for appointment of an administrator was filed by Attorney Wayne R. Johnson, who is associated with the law firm of Herschbach and Tracy.

Runaway Car Pins Sleeper in Chair At Picnic Grove

While napping in a chair at Valley View picnic grounds, near Frankfort, Saturday evening, Daniel Kwiatkowski, 21, of 2114 S. Ada st., Chicago, suddenly found himself awake underneath an automobile. He was knocked out of the chair when a parked car was hit by the auto of Joseph Houpy, 21, of 2618 S. Keller ave., Chicago.

According to State Trooper Joseph Egan, Houpy was west bound on a gravel road a half mile northeast of U.S. 30 and Wolf rd., when his car struck the parked vehicle of Ronald Dumont, 26, of 535 E. 102nd st., Chicago.

Dumont's auto was knocked into the picnic area and hit Kwiatkowski, who ended under the car. Houpy was held at the Will County jail on charges of driving too fast for conditions and disorderly conduct. He was fined \$200 and costs Sunday by Justice of the Peace Anthony Mackay.

Public Invited To VFW Card Party Saturday

The regular card party sponsored by the Ladies Auxiliary to the Wm. Martin post 725 VFW, will be held Saturday July 18 in the VFW hall starting at 8 p.m. On the refreshment committee are Mrs. Dorothy Mattsen, Mrs. Josephine Riser and Mrs. Ruth Doctor. Everyone is invited.

Dean Liston, fireman apprentice, who will be in the service one year on Aug. 4, is home on a 20 day leave. He is stationed at Orange, Texas with the Atlantic reserve fleet.

Terrence A. Marshall, son of Mr. and Mrs. Arthur Marshall, 19414 st., who has been in service about one year, is enjoying a 20 day leave at home from his station on North Island, San Diego, Calif. He will leave July 31 for Memphis, Tenn. where he will attend aviation electronic school.

A large group of Mokena Boy Scouts, with their Scoutmaster Arthur Omeland and explorer scout Robert Munch, and Ray Westlund, assistants, left Sunday morning for a week's camping at Boy Scout camp, near Morris.

Miss Sharon Cappel, daughter of Mr. and Mrs. Wesley Cappel, returned Saturday from a three week motor trip to Florida. The naysical education teacher, Miss Barbara Sprayberry, at Lincoln-Way High school last year, took Sharon and Kathy Berlin of New Lenox with her when she visited her parents, Mr. and Mrs. Frank Sprayberry at their home in Del Ray Beach. Needless to say they enjoyed every minute of the trip, especially swimming in the gulf. They motored to Miami and other sight-seeing places and cities in Florida.

Notice for a suit of separate maintenance, published in this paper last week by Mary A. Van Ilen, against Marvin Van Ilen, is not to be confused with a family of the same surname residing in Mokena. The principals in the separate maintenance action are said to be residents of Peotone.

Mrs. Robert Homerding returned Saturday from Silver Cross hospital where she had been a surgical patient. Mrs. Mabel Constance of Can. on Miss, is a guest of her childhood friend, Mrs. Margaret M. Semmler. This evening they and Mrs. Olga Desmore and Mr. and Mrs. Will Engle of Joliet will have dinner at the Little Bit O Sweden in Aurora. Mrs. Constance and Mrs. Semmler will spend the weekend in Chicago.

Mrs. Michael Diagula and Mrs. Edward Haislet have returned from a Florida vacation. Enroute they visited former Mokena resident, Mrs. Marie Wilder at Thorby, Ala. She owns and operates a restaurant called "The Rebel" on route 231. Mrs. Wilder is happy to see Mokena friends who stop to say "hello."

Wilbur Buske entered Silver Cross hospital last Wednesday where he will undergo surgery.

Mr. and Mrs. Willard Martie Third st., have received word of the birth of a son, born July 7 to their son Jack and wife of Palatine. The new baby, who weighed 8 lbs. 14 oz., has been named Charles William. Jack and Johnny, brothers of the new baby, spent last week here with their grandparents.

Mr. and Mrs. Fred Lehmann returned last weekend from a 2800 mile motor trip to the east. They visited friends in North Carolina, Washington, D. C., Philadelphia and New Jersey and spent some time at such historic spots as colonial Williamsburg, Jamestown Monticello, Jefferson's home; Pennsburg, the original home of William Penn; and Gettysburg, Pa., the site of the worst battle of the Civil war. Enroute home they brought their daughter, Betty, back with them. She had spent three weeks visiting her uncle and aunt, Mr. and Mrs. John McCauley in Demarest, N. J. Mrs. George Cooper of St. Petersburg, Fla. spent a few days last week here with relatives.

Mrs. Etta Grassel and brother Alfred Hatch of St. Petersburg, Fla. are spending several weeks with relatives in Joliet and with friends in Mokena and vicinity.

Cooper Family Will Hold Annual Reunion July 26

The annual Cooper reunion will be held Sunday July 26 at the Lester Sayers farm, Wolf road and 159th st., Orland township.

A cover basket lunch will be served at 12 o'clock noon.

The committee in charge of the reunion this year is composed of: Mr. and Mrs. Clarence Creer, Orland, chairman; Mrs. Alma Rauch, Joliet, secretary and Charles Cooper, Orland Park, treasurer. They are all hoping that all relatives will be able to attend.

Cards of Thanks

We wish to express our appreciation to our relatives and friends for their kind sympathy extended to us at the time of the death of my sister, Mrs. Mathilda Stenhagen; a special thank you to the Rev. Kenneth Crandall and Walter Wehr for their comforting service.

Mrs. Edith Arnold and family, Tinley Park

I wish to express my sincere thanks to the many friends who sent me cards during my illness; to Agnes Beck for the bake goods and Winnie Bauman for the beautiful plant. Their thoughtfulness will long be remembered.

MRS. ALBERT ZWYAC Tinley Park

We wish to gratefully acknowledge the many acts of kindness and sympathy shown to us during the illness and death of our father George C. Bettenhausen; to the Rev. and Mrs. Erich Bizer and Arthur Lambrecht for their comforting service and for the floral tributes and memorial bouquets.

RAYMOND BETTENHAUSEN and FAMILY Joliet

To our kind neighbors and friends we wish to thank you for the flowers, masses and gifts; also to the ladies of St. Heart League and Father Cecil Koop who helped in our time of sorrow.

MRS. GEORGE LINGERICH and FAMILY Mokena

We wish to express our thanks and appreciation to friends, neighbors and relatives for their kindnesses during the illness and passing of our wife and mother.

Armed Robber Takes \$45 at Gas Station

Lee's Standard Service Station, 175th and Oak Park av., Tinley Park, was held up at 9:20 p.m. Saturday.

The gas station attendant, Tom Fornell, of 175th and Harlem, reported to Tinley police that someone came in while he was in the oil storage room, placed a gun against his back and ordered him not to turn around and to lay flat on the floor.

He did not get a look at the robber and \$45 was taken from the cash register, he reported.

Over 60 Cook County Agricultural 4H Club members enjoyed a pleasant week at their District 4H camp. The 103 acre camp, known as Camp Shaw-Waw Nas See, is located ten miles northwest of Kankakee, on rock creek.

Campers attending from this area were: Laverne and Jean Siemsen, Walter and Richard Wille, Norman Siekman, William E. Stelter, Diane Cappel, Barbara Manzke and Christine Klann of Tinley Park; Nora Holz, Charmaine Bartar and Karen Mutsch of Orland Park; Rodney and Janice Krierem, Dennis and Darold Schmeckpepper of Mokena; Robert and Ruth DeBoer, and Linda Bussema of Chicago Heights; Jack and Joan Uthe, Markham; Alan Stader, Midlothian; David and Richard West, Bill Miller, Paul J. Growald, Jeffrey Nauthgton, Tad Swenson, Chris Piers, and Charles Ludmer of Park Forest.

The camp is operated by a board of directors, selected from the twenty counties in northeastern Illinois, which comprise the camping district. The camp program, which was enjoyed by the youngsters included swimming, crafts, nature hikes, sports and social recreation.

NEW LENOX MAN

(Continued from page 1) Turkish lira not more than 500 Turkish lira."

James was haled into the Third Penal Court of Izmir on April 30 and the case continued.

A letter from the navy dated June 19, apprised the parents that the Turkish prisoner who had been watching James whitewash his cell had lost an eye as a result of it having been spattered by whitewash and that the case had gone to the high penal court as the Third lacked jurisdiction when "an injury caused complete loss of the use of an organ of the body."

In the meantime James has completed his 10-month sentence as a result of the flag episode and in a telegram received from the American consul's office, dated July 9, the Tomanyes were informed that he was now being held in the hospital at the U. S. Air Force base at Izmir.

The telegram stated that James' "health was good," but the Tomanyes have not been informed yet as to why he is hospitalized. They also were informed that no date for the trial has been set.

They received a letter from the boy dated May 1 in which he stated that he had been informed that the navy, which had paid for his legal counsel, a Turkish lawyer, in the flag trial, would not bear any of the expense in this case.

The attorney's fee in the case yet to be tried was to be \$100 and James asked his father to convert some U. S. bonds the lad had purchased out of his navy pay and to send the money to a lieutenant in the air force who in turn would pay the Turkish lawyer.

Before the money could be sent, however, Mr. Tomany received a second letter from James, stating that apparently our government would stand the expense.

"We feel quite badly about this," Mr. Tomany said, "I am not blaming anyone in particular but it does seem to me that when someone becomes a member of one of the armed services that he should be protected against the whims of a foreign power and subjected to prosecution under laws of which he has no knowledge."

"Our boys are taken abroad and they could do something might not even be listed as a misdemeanor here but could cost them their freedom or even their lives.

"If—and I say if—this Turkish prisoner did lose an eye, the cause could have been something other than the whitewash. Perhaps he had another injury or some disease that thru 'negligence or professional experience' on the part of prison officials brought about the loss of the eye."

Mr. Tomany has consulted Attorney J. Hinton Massey at Joliet. Massey told him that he did not believe that the appearance in a Turkish court of the best American legal talent would have any effect but that public opinion might be a solution.

To this end Mr. Tomany is writing the facts in the case, as given him, to U. S. Senator Everett Dirksen, Congressman Noah M. Mason and Governor Stratton. He also plans to appeal to the President.

Mr. Tomany is convinced that his son has been a scape goat from the beginning.

It was in early September that he was arrested the first time. James and a fellow crew member of the USS Barry, Sixth Fleet, had left a NATO recreation center to return to their ship. Enroute they were seized by Turkish police. In a telephone conversation that the Tomanyes had with James, arranged after he had been sent to prison, he declared that he and his companion, Bennie Ross Day, 19, of Connerville, Ind., were both innocent.

He said that they did not know what they had been charged with until the trial started on Sept. 8. It was then that they learned they were supposed to have seized a Turkish flag and tore it in pieces.

There were no witnesses but police produced a night watchman at the trial who stated that he saw the episode and identified the two sailors.

It was night, the watchman was elderly and Mr. Tomany wonders just how good was his eyesight.

The defendants' commanding officer wrote the parents that both boys had excellent records in the navy and that the Turkish prosecutor did not want to proceed against them but there had been a previous flag mutilation case in which Americans had been involved and the public's temper was high. The prosecution was carried on as a sop to Turkish clamor.

In another letter the commanding officer, wrote that following an investigation the navy was satisfied that the conviction of the two boys should not be held against them but that they should be retained in the navy so that at the end of their enlistment they would receive honorable discharges.

He indicated, however, that inasmuch as the Turks were strong allies there was little the navy could do to get them off from the Turkish charge relating to the flag mutilation.

The trial lasted four days and on Sept. 12 each of the lads was sentenced

to 10 months in prison.

From the time of the trial until Jan. 28 the Tomanyes heard from their son regularly altho there were times when it would appear from their contents that they had missed a letter.

And they also could see that James was not getting some of their letters. Between the last of January and early in May when the letters arrived dealing with the matter of attorney fees, there was no word from the boy.

Mr. Tomany doesn't know whether their letters to James have been lost or withheld and whether the same fate overtook his letters to them.

James was graduated from Lincoln-Way high school in June, 1958 and then joined the navy.

He has two brothers, Lloyd, Jr. of Mokena, who is employed at the Electro-Motive plant at LaGrange, and Richard, of New Lenox, who has a government post in aviation. And there are also two sisters Mrs. Judith Worthin, and Candy, 11, both of New Lenox.

Mr. Tomany operates a television and radio service at New Lenox.

Business and Finance

By MAURICE P. ANGLAND

The stock market is having its expected summer rally as business men note the likely further improvement in business during the fourth quarter. Business statistics and forecasts make very pleasant reading. A automobile sales are expected to exceed the previous estimate of six million new car sales in 1959. Ford Motor recent forecasts expect total sales for the industry to run about 200,000 cars over the previous estimate.

The action of the stock market and non-ferrous metal market, indicates that any action on steel strike has been discounted. The recent report of the Automotive Service Industry Association states accessory and parts sales in the first quarter of 1959, were 10 per cent over the same period of 1958. The report also states that there has been increased demand for more luxury items and fancy repair items which have a comparatively short useful life.

Retail spending is well ahead of last year and unemployment benefit claims have been declining as employment increases. The railroads are showing increased profits as car loadings reached a new 20 month peak. Due to the very large portion of the railroad dollar which is paid out in direct labor costs, the rails have been forced to learn to operate more efficiently and seek sectors in their industry where automation can be applied. Results of these efforts are appearing in the earning statements.

For income tax purposes, the law does not permit of depreciation charges that keep abreast of actual replacement costs of industrial equipment. Therefore, industry must build its reserves to supplement the depreciation figures and these charges become a cost of doing business. This problem has been compounded by the fact that it has become increasingly difficult for the average industrial firm to secure needed funds for capital investment, thru the sales of bonds. The constant rise in the price index and lowering purchasing power of the dollar, make debt financing difficult. Stock dividends have become popular. A stock dividend is usually paid in lieu of a cash dividend whereby the firm capitalizes the earnings retained in the business rather than being paid as cash dividends to the stockholder.

In wage claims and negotiations, Reuther often complains that the firms are becoming their own bankers thru building large reserves which should be paid out in wage benefits. There is little doubt that he is completely aware of the absolute necessity of business being able to finance itself regardless of the difficulty of debt financing. It is necessary to insure employment continuity if nothing else; Scientific discoveries, for

instance, are making machines and processes obsolete at a rate faster than we have ever known. A firm which does not keep itself competitive with machine and process changes is a poor employment risk.

Another increase in the Price Index and lowered dollar value, seems likely in the near future. Regardless of whether there is an increase in steel prices, many other industries are on the verge of increasing their prices and feel they can best do so in a period of rising business. It is reported that the cost increases are largely due to higher wage benefits.

It is unrealistic to expect Congress to take legislative action to control inflationary pressures effectively as too many toes will be pinched in the process. This is especially true with a Presidential election year coming.

High School Student Reports to Legion Auxiliary on Girls' State

By MRS. LILLIAN KNOX
Fieldbrook 9-0211

Mrs. Harwood Stellwagen and daughter, Betty Jean, were guests of the American Legion Auxiliary Unit 526, on July 10, when Betty, who was selected by the Auxiliary to attend Illinois Girls State, gave a final report of her experience there.

A student at Carl Sandburg High school, she was one of 500 students thruout the state, chosen by Legion Auxiliaries to represent them at Illinois State.

Betty's report included a scrap book, with pertinent items of procedure. She was assigned to Sutherland City, Smith County, Federalist party and was appointed judge of election. The other party was the Nationalist.

The group was addressed by Governor Stratton.

She explained the impressive closing ceremony when the 500 girls with lighted candles, gathered around the American flag.

Illini Girls State is an annual affair sponsored by the State Department of the American Legion Auxiliary, and held at MacMurray College in Jacksonville. The sessions are all on government procedure.

The meeting was held in the home of Mrs. Sally Cooper whose children, Bruce and Mark Cooper, sang two songs in a duet. They were accompanied by Mrs. Adele Cooper. Group singing followed.

Refreshments were served by Sally and Adele Cooper. Then the storm struck and the light went out, and refreshments were finished by candlelight.

Firemen were called last Friday around noon to 143rd st. and Will-Cook road where a wheat field was afire on the farm of Wm. Rock. The cause was probably a spark from the tractor. Little loss was sustained.

The Rauch family reunion was held Sunday, July 12 in the forest preserve on 143rd st. and Highland av. Relatives from Frankfort, Blue Island, and Orland Park enjoyed the day, playing games etc.

Mrs. Lorraine Ballou and her mother Mrs. Gertrude Weber are back in Orland for a few months, will return to Florida about September.

The Firemen's Auxiliary will not meet during July and August, but will resume their meetings in September.

Do you know that home cancer patients in need of a wheel chair, bed, or dressings, can have same free of charge? Call Mrs. Karl Ekberg, FI 9-3315 and she will take care of any requests. These supplies come from the South Suburban chapter of the American Cancer Society, headquarters at Chicago Heights.

The South Suburban chap-

ter held open house June 30. Orland was represented by 15 ladies, all who meet every month to prepare dressings.

Joanie Doogan, daughter of Mr. and Mrs. Melvin Doogan, celebrated her 5th birthday with a party Friday for her playmates. On Saturday her relatives helped her celebrate with a birthday dinner.

Cynthia Cooper underwent a tonsillectomy last Tuesday. She is coming along nicely. She also celebrated her 12th birthday Sunday.

On Sunday afternoon, Mrs. James Creer, and son Arthur Creer, attended the North American Manx association meeting at the home of Mr. and Mrs. Auty in Lake Forest. Visiting and a picnic supper was enjoyed by all.

Mr. and Mrs. Walter Yunker and son Walter, Jr., and Mr. and Mrs. Wallace Yunker and family of Mokena spent a week fishing in Hackensack, Minn. While there they attended the annual Indian Powwow and an American Legion game party. They spent another week in Muskegon, Mich., and a business trip to Newaygo, Mich. The family wound up their vacation by attending the White Sox double header ball game Sunday and dinner with the Arthur Oakes family in Chicago.

Members of the Illinois Federation Woman's club were invited to enjoy the view of Buckingham fountain and Queen Elizabeth's arrival, from the large east windows on the 7th floor of the Fine Arts building. Donations from viewers helped swell the Marie Morrissey - Keith scholarship fund. Mrs. Karl Ekberg, past president of the Woman's club had the pleasure of viewing the sites during the day. She also was a guest at the Governor's luncheon.

Mr. and Mrs. Melvin Doogan are being congratulated on the birth of a grandson, Melvin Brian, born June 30. The parents are Mr. and Mrs. Melvin Doogan, Jr. The other grandparents are Mr. and Mrs. Ralph Willis of Tinley Park, and the great grandparents, Mr. and Mrs. William Nicolai.

Roberta Brancata, 14516 Woodland, and Leon Cooper, 153rd and West ave., will enter the largest freshman class in the 102 year history of Illinois State Normal university, in September.

A four year study at the Dixon Springs Experiment Station found no advantages for deep-tilling corn down to a depth of 20 inches.

4-H'ers Give Demonstration At Home Bureau

By KATHARNE HEISNER
Frankfort 5187

The Green Garden Home Bureau unit met at the home of Mrs. John Wille last Friday afternoon. The major lesson was given by Mrs. Wille, "Don't Shove and Don't Push the Development of Your Child." The minor lesson was in charge of Mrs. Lloyd Alton who had nine girls of the Green Garden Snip 'n' Snack 4H Club give demonstrations on their various projects. Later the food demonstrations were served for lunch.

The election of officers was held with Mrs. Elmer Schneider elected president, Mrs. Wesley Bettenhausen, vice president, and Mrs. Ralph Smith, secretary and treasurer. The next meeting will be held on Friday afternoon, Sept. 4 at the home of Mrs. Gilbert Voss in Joliet.

Mr. and Mrs. David Dralle and family and Mr. and Mrs. Edwin Dralle were dinner guests of Mr. and Mrs. Ralph Dralle Saturday evening.

The Family Life Circle of the Methodist church will have a potluck dinner and picnic next Sunday at the home of Mr. and Mrs. Lloyd Alton.

Miss Frieda Borms of Frankfort is staying at the home of her nephew and family, Mr. and Mrs. Richard Borms. She was a surgical patient at Silver Cross hospital recently. She

is recuperating very nicely since her arrival at the Borms home two weeks ago.

Susan Lorenzen was honored guest at a 5th birthday party last Wednesday. Birthday cake and refreshments were served to guests, Mrs. Mary Lorenzen, Mrs. Martha Piper, Miss Shirley Piper and Mr. and Mrs. Donald Piper, all of Peotone; Mr. and Mrs. Norman Steunkel and daughter of Crete and Mr. and Mrs. Harold Ebert of Frankfort. Susan received nice gifts.

The Sweetest Milk Ever Sold!

You've got more to go on than our say-so: Every motor magazine has given Chevy's standard passenger car and Corvette V8's unstinted praise. SPORTS CARS ILLUSTRATED says it this way: "... surely the most wonderfully responsive engine available today at any price." And if you want the thrift of a six, you still get the best of it in a Chevy.

BEST ECONOMY No doubt about this: a pair of Chevy sixes with Powerglide came in first and second in their class in this year's Mobilgas Economy Run—getting the best mileage of any full-size car, 22.38 miles per gallon.

BEST BRAKES Not only bigger, but built with bonded linings for up to 66% longer life. Just to prove what's what, Chevy out-stopped both of the "other two" in a NASCAR*-conducted test of repeated stops from highway speeds.

*National Association for Stock Car Advancement and Research

BEST RIDE A few minutes behind the wheel will leave no doubt about this. MOTOR TREND magazine sums it up this way: "... the smoothest, most quiet, softest riding car in its price class."

BEST TRADE-IN Check the figures in any N.A.D.A.* Guide Book. You'll find that Chevy used car prices last year averaged up to \$123 higher than comparable models of the "other two."

*National Automobile Dealers Association

BEST ROOM Official dimensions reported to the Automobile Manufacturers Association make it clear. Chevy's front seat hip room, for example, is up to 5.9 inches wider than comparable cars.

BEST STYLE It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

PEOPLE ARE BUYING
CHEVROLETS IN '59
THAN ANY OTHER CAR!

Stratton for Solvent State

Governor Stratton is deserving of commendation for his endeavor to keep the state in the black. He has ordered officials to hold up on some \$80-million of construction for the next six months to see if the money will be available.

According to dispatches from Springfield the general assembly adopted measures that called for expenditures in numerous instances but failed to make the money available. There is a difference of some \$126-million between expenditures authorized and the amount of money available.

The governor pointed out that when groups demand services or appropriations for pet causes they should know where the money for such purposes is coming from and how it is to be raised. The governor is opposed to incurring any deficits to finance programs for which funds are not available and so plans numerous vetoes to preserve the state's credit.

The public, which has to foot the bills, should appreciate the governor's attitude.

And while in an economy frame of mind we hope the governor will look into the rout-

ing outlined by federal and state engineers for the transcontinental expressway that is to cut thru the south fringe of Tinley, veer across the Rock Island tracks, and then west north of Mokena and New Lenox to a point near Gougar road where it is to veer back across the Rock Island and then pass thru Joliet at an expense of millions in ruined property.

A petition containing some 6,000 signatures of Joliet citizens was presented to Gov. Stratton, asking him to intervene and change the routing of the proposed highway. Since then the petitions have been forwarded to Washington.

The routing from Tinley Park to Joliet is reported to be much more expensive than if it were to follow a southwesterly course out of Tinley and by-pass Joliet. The crossings of the Rock Island and Hickory creek entailed in the present plans will add much more to the cost—at least a million, it is claimed.

The governor doesn't have anything to do with planning federal highways. But he was able to get a route changed near Morris. We hope he has equal success in this area.

Many names have been given to the current era—the Atom Age, the Jet Age, the Age of Automation, et cetera, et cetera.

It would seem that without a name that can be worked into a slogan the people today could not function.

One could call it the Slo-gan Age but for the fact that the word slogan does not carry any indication of speed.

One could call it the Hurry, Hurry Age and be right but it is not likely that it would catch on—too many words. And we must remember that speed's the thing.

If this rush, rush spirit continues to grow one shudders in contemplating the sizzling pace one may expect in the future.

We have machines now that will do practically anything a person can.

There are so many machines now that one can't keep up with them. Can't tell a machine without a scorecard and one should be very careful when around strange gadgets. Most of them have inviting buttons to push or cranks to turn but be careful.

There's no telling what may happen if you push a button. You might get a mathematical formula, some breakfast food, an inventory, an automobile, or a set of retreaded tires or your shoes shined.

One can push and pull knobs on a machine and after minutes of whirling and clicking out pops yards of tape marked or cut with strange figures and symbols. Push this into another machine and you may get names and prices of leading stock issues; your fortune told or an invitation to the dance.

It is all very wonderful and causes many to murmur in awe:

"My, my, what won't they think of next?"

Well, friends, this writer, for one, has no idea of what who will think of next, or even last, as far as that is concerned.

It is a common saying that history repeats itself and the

invention of machines that make symbols and then converts them into letters, words or signs is a case in point.

My Grandfather Henderson used to tell of a grocer at Georgetown, Mo., that was using symbols in keeping books when some of his customers were still using ox carts.

There were few people around Georgetown in those days familiar with the three R's but according to my grandfather most of them could understand picture writing.

So in making out their bills the grocer wasted no time of his own or the customers on words. He drew pictures.

For example, he drew a beetle for coffee; a sock for saleratus, as the people of those days called baking soda; an ear of corn for corn meal; a barrel for flour; a frog for whiskey and a bee for sugar. He had other symbols for other merchandise but they were given to me second hand and I can't remember all of them.

My grandfather told me about being at the store one time when the grocer and a customer were engaged in an argument. The customer was questioning some of the items. He did not object to paying, understand, for anything that he bought but on the other hand he wasn't going to pay for anything that he didn't get.

He studied the bill. "Yes," he agreed, "we did use quite a lot of uv beetle, last six months, and the old lady she sets a lot of store by that bee. Them rocks look about right for the saleratus we used and that bar'l and corn look right."

"Now I know I used a heap of frawg but what is them tracks hyer below that frawg?"

"That's ditto," the store-

Read John 17: 1-10

I have given unto them the words which thou gavest me; and they have received them. (John 17:8)

Once I went to a police station to see an officer on a certain piece of business. I found him deeply absorbed in reading his Bible. Seeing me, he beckoned me to sit down.

After finishing the reading of the Word, he apologized to me for keeping me waiting. He told me that it was his habit to read the Word of God every morning before beginning the work of the day. It was his delight to read it for guidance in his work throughout the day. It shed light on his daily path. He could not neglect it, as he knew that it was of daily help to him.

He was known for his integrity and uprightness among the officers and men of the police force. No one could induce him to do wrong. His superiors entrusted to him the most urgent and confidential tasks. It was Christ's spirit in him and his habitual reading of the Word of God which made him what he was.

PRAYER: Our gracious Father, create in us the desire to read Thy Word every day. Forgive us for neglecting its reading. May we daily dig deep in it to find the riches which are eternal. In the name of Jesus Christ we ask these things. Amen.

THOUGHT FOR THE DAY

To light my daily path, I make it a point to read the Word of God daily.

tion located near Morris, in neighboring Grundy county.

Activities will begin with registration at 1:45 p.m. and will include Scoutcraft, axeman, first aid, swimming demonstrations, riflery, archery and proper use of the American flag.

Each 10 year old Cub Scout attending will receive a copy of the "Handbook for Boys."

Assisting Robert Scott, will be Louis Godfrey, as co-chairman, Gilbert Miller, George Panovich, Eric Bischoff, all of Lockport, Gaylord Bale, William McCauley, Snyder Watson all of Joliet and Eugene Golimowski of Morris.

Serving as advisors to the committee are Edward Vollmer, District Commissioner and Paul M. Tikalsky, district executive.

Members of Rainbow Council's Summer Camp Staff will also assist in the program.

Illinois farmers' records show that beef and dairy herds and feeder cattle, hogs and poultry enterprises returned more income in 1958 than in 1957. Only sheep flocks returned less income.

Complete Plans for Episcopal Church's Festival on July 18

By DELORES ANDERSON
New Lenox 3651

Grace Episcopal church will hold their annual carnival Saturday, July 18 on the church lawn. Festivities will start at 5 pm. and continue thru out the evening.

Games of skill are planned for young and old. For those wanting their fortune told, Freddie Regan will be at the palm reading booth.

Laura Morris is receiving packages from far and near for the parcel post booth, and the country store donations are building up to a considerable size.

Judy Carr and Maxine Batson are busy putting bargain prices on items.

There will be cafeteria style supper served in the church basement. Mary Morris is general chairman of the carnival, and Frank Pester will be in charge of the outside decorations.

Father Dixon, vicar of the parish, sends a special invitation to all.

The New Lenox unit of Home Bureau will meet Friday July 24, in the Haven school auditorium, for their regular meeting at 1 o'clock. Local 4H girls will demonstrate their work, to be judged. All 4H mothers are invited to attend.

Mr. and Mrs. R. P. Cullison have returned from Interlochen, Mich., where they spent the weekend visiting their son Larry, who is a Counselor at the National Music camp. He will be there until the latter part of August.

Mr. and Mrs. William Clark and family who have been vacationing in the west are expected home this week.

Mr. and Mrs. Ernest Jenkins and children, Edwina and Andrew, returned Saturday af-

ternoon, from a two week vacation in the east. They visited with her parents, Mr. and Mrs. E. F. Estes, and her brother Errol, in Brownville Junction, Maine, and spent a few days at the Estes summer home on Lake Ebeeme in the

Mt. Katadin region.

While there they attended the wedding and reception of her brother, William Estes and Miss Irene Goulette at Dexter, Maine. Enroute home they visited with her sister, Mr. and Mrs. William J. Schwarz and family at Springfield, Mass., and with friends at Boston.

The business and LWML meeting of the Womans League of Trinity Lutheran church will be held Tuesday, July 28 at 1 pm. in the church. Mrs. Elsie Padzuikas, Mrs. Viola Jones and Mrs. Irma Schultz will be hostesses.

Countryside News and Views

By WILLIAM F. WHITESIDE
(Cook Co. Ass't. Farm Adviser)

The oat variety demonstration plot on the Raymond Bernard farm in Orland Township in Mokena, looks quite good. You can see that some of the earlier maturing varieties are ready to be combined. In fact for some, combining is overdue. All of the varieties did a creditable job in standing the attack of the virus disease, Yellow Dwarf, which ruined quite a number of oat fields in this county.

The soybean variety demonstration plot, located on the Henry Andresen farm, 167th street, west of Wolf road, is up and doing well. Of course, at this stage this plot does not reveal much information. More will be said about the bean varieties as they approach maturity.

Both these variety trials are conducted as a cooperative effort between the local farmers, the County Extension Service, and the Agronomy Department at the University of Illinois Department of Agriculture. There are over 40

oat variety demonstrations carried on throughout the state. Information from these plots is summarized by the University and is available early in the winter, to assist farmers in selecting varieties for the following planting season.

Robert Stellwagen, Mokena, will be a member of the Cook county delegation to 4-H Junior Leadership camp, to be held during the last week in July. The conference is held for outstanding 4-H club members in every county in Illinois by the 4-H staff of the College of Agriculture at the University of Illinois. It is a single honor to attend this camp and we are proud of the achievements in 4-H club work made by Bob Stellwagen which enabled him to attend this conference.

A new publication of considerable importance to farmers in this county has been released by the University of Illinois College of Agriculture. The title of the publication, Circular 808, is: "Prevent 2, 4-D In-

jury to Crops and Ornamental Plants" Each year this office receives a large number of calls relative to this subject. The publication is only 15 pages in length and would make worthwhile reading for farmers, home owners, custom spray operators, and others who use sprays for weed control. The circular is available free at the County Extension office, South street and 66th ct., Tinley Park.

The nation will observe National Farm Safety Week July 19-25, by a proclamation by President Eisenhower. Because needless accidents kill thousands each year, it is urgently requested that everyone cooperate in an effort to make 1959 as accident free as possible. Farming is one of the more hazardous occupations, as the chances of being killed on the job are three times as great in agriculture as in industry. Loss from farm accidents are estimated at more than a billion dollars annually. Safety makes sense. Everyone should practice it.

Evelyn Jager of Crestwood is spending a couple of weeks in the home of her aunt and uncle, Mr. and Mrs. Emil Wille.

The Auxiliary Police of Will county will hold their next meeting at the Nicholson farm shooting range at 9 a.m. Sunday, July 19.

Mr. and Mrs. James Delaney were hosts at a dinner Sunday in honor of their son Mike's 13th birthday. Those present were Mr. and Mrs. Mike Resner, Mr. and Mrs. Frank Wisniski and daughters Geraldine and Arlene, Mrs. Ray Harms and son Ricky, George Hamay, Gregory Pacer and John Bulanda. Mike received many lovely gifts and a good time was had by all.

Mr. and Mrs. Robert Wheeler and daughters Jane and Linda, have just returned from a week's vacation to the Smoky mountains.

Mrs. Robert Wheeler and daughter Jane, and Mrs. Walter Niedringhaus and daughter Betty enjoyed a luncheon at Mickelberry's Monday in honor of Jane's tenth birthday.

Farming Unaffected by Changes in Zoning Code, Says Chairman

Andrew J. Dallstream, chairman of the Cook county zoning board of appeals, last Thursday, gave Lemont, Worth and Orland township farmers assurance that their farming operations will be unaffected under the proposed comprehensive zoning amendment for Cook County.

At the county building session dealing with map changes for Worth, Palos, Lemont, Calumet and Orland townships, Dallstream told the farmers that Illinois Statutes are explicit in stating that zoning regulations have no jurisdiction over farms, if used as such.

"But in making a county

zoning ordinance each bit of land must be classified to provide the answer of a farm's proper usage if the farmer decides to quit farming," Dallstream explained.

He also said that hearings may be held at a later date in some of the townships. "Due notice will be given at the time these present hearings adjourn as to hearings out in the country," said Dallstream.

H. L. Cletchen, 131st and Bell rd., Lockport, who represented seven Lemont township farmers said that all full-time farmers must build up full-time production to make any money. He feared that if a farm is taxed on zoning classification and not on use the resulting higher taxes would be ruinous.

Harry F. Chaddick, who directed the drafting of the proposed ordinance replied, "We hope to be successful in getting a statement of policy on this matter from the county assessor."

Robert J. Mocny and Howard F. Ludwig, other Lemont township farmers, recommended a farm zoning classification as long as the land is farmed.

"When it ceases being a farm then classify it as R-2 or R-3," Ludwig said, "then the farmer will get a fair shake on the tax question."

George De Vries, speaking on behalf of 20 Worth township farmers favored this classification.

Mrs. Caroline Andres, 167th & 80th ave., and Mrs. Fred Rauch, 167th & Kean ave., two Orland Park farm wives voiced similar appeals.

At the beginning of the hearing Chaddick told how the two year job of drawing up the ordinance was accomplished.

"Groups of experts didn't sit in Chicago's county building without knowing what was going on out in the villages," Chaddick said. "We had 590

actual work committees who received and made recommendations on the drafts of the proposal.

"Before the maps were drafted, land use studies were made by teams checking every known use, not with maps or aerial photos but right out in the township," said Chaddick. "The farm zoning elimination was made known to these groups a year and one-half ago."

Others requesting map changes included Evergreen Park Atty. Harry E. DeBruyn, who asked that the Navajo Fields Golf club in Worth be rezoned from R-3 to R-4, the smallest residential classification, for a proposed subdivision.

Dallstream recommended that DeBruyn petition for a hearing in Worth township when the street and sewage plans for the subdivision are complete. In this way Dallstream said the best interests of Worth residents would be served.

Your kitchen stays shades cleaner with a modern Electric Range

And you can boil, bake, roast, broil—do every kind of cooking completely automatically.

What a job it is to wash kitchen walls! You need tackle this chore only half as often, you know—when you cook with a modern electric range.

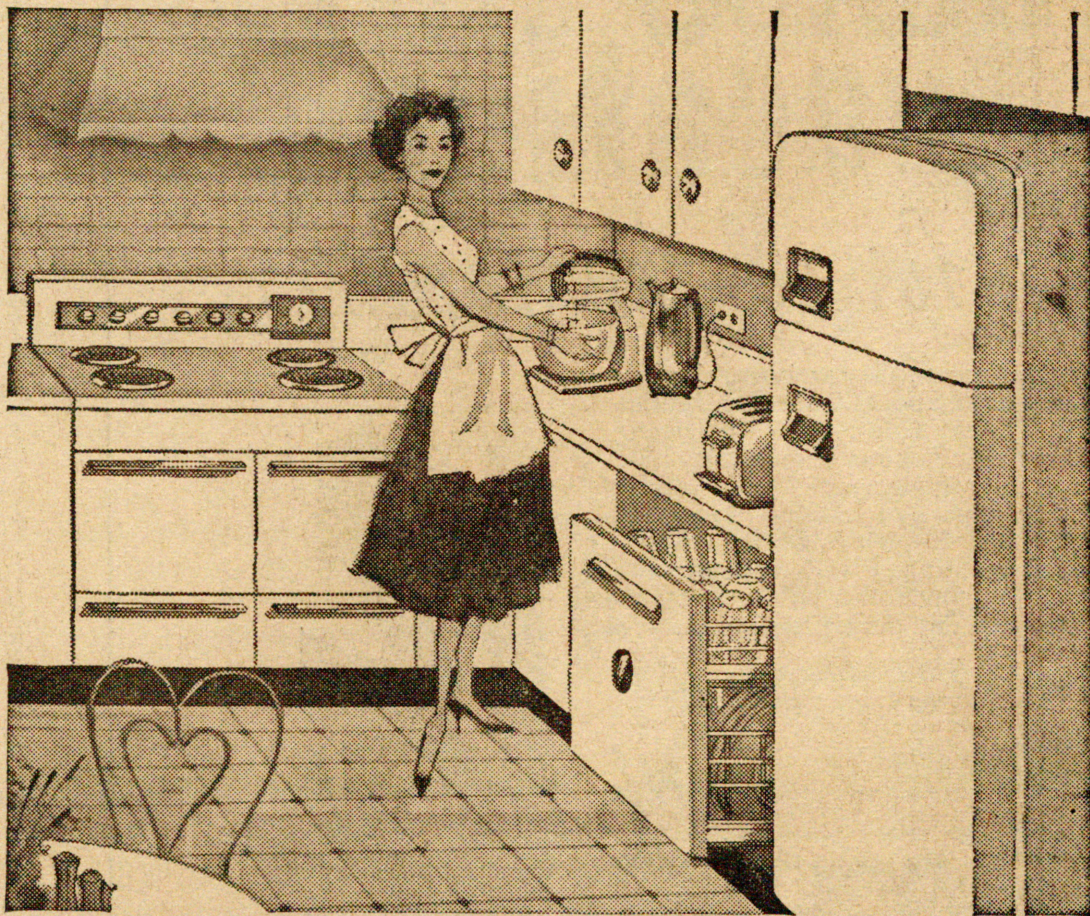

It's easy to understand why. Electric ranges burn no fuel, create no soot. Absolutely nothing cooks cleaner!

But an electric range belongs in the

modern kitchen for other reasons, as well. Electric cooking means accurate control of heat.

For whether you're using the surface units, baking or broiling... the cooking heat stays at the exact temperature you select. (And automatic electric controls are the most accurate made.)

It's also worth knowing that the kitchen equipped with a new electric range will stay modern for years to come.
